Thomas Nelson Publishers, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. God gives every believer a spiritual gift the moment he or she accepts Christ. Many Christians haven't identified their gifts, or they're not sure how to use them for God's glory. In the ten lessons of Ministering Through Spiritual Gifts, Dr. Charles Stanley encourages you to pinpoint your God-given strengths by exploring the seven gifts in Romans 12. He then challenges you to consciously develop your gifts- not for your own personal gain, but to minister to others and to ultimately bring glory to God. Dr. Charles Stanley's Bible study guides feature the insights and wisdom of this beloved pastor and author. Small groups and individuals who want a Bible study that's spiritually-sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world. Each title takes a unique four-fold approach to get the most out of Bible study time-emphasizing personal identification with the Scripture passage, recognition of your emotional response, reflection of the passage's meaning and application, and taking steps to apply what's been learned. This is a sound way to explore the Word of God.
