

For electricity nationwide workers' skills training materials: the substation operation (including adjusting camera) (senior workers)(Chinese Edition)

Filesize: 6.43 MB

Reviews

These types of ebook is the greatest book available. Better then never, though i am quite late in start reading this one. I am just very happy to explain how here is the very best pdf i actually have read through inside my individual daily life and can be he greatest book for ever.

(Camryn Runolfsson)

FOR ELECTRICITY NATIONWIDE WORKERS' SKILLS TRAINING MATERIALS: THE SUBSTATION OPERATION (INCLUDING ADJUSTING CAMERA) (SENIOR WORKERS)(CHINESE EDITION)

DOWNLOAD

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 1999 Pages: 365 Publisher: China Electric Power Press. the country of training materials for the electricity workers' skills and substation operation (including adjusting the camera) is divided into two parts: a senior engineer. The substation operation section focuses on the structure of large-scale high-voltage substation equipment. performance and running operating characteristics; High Voltage Engineering; atmospheric over-voltage. operating voltage substation lightning protection; substation equipment the treatment and prevention of major accidents measures. The condenser section focuses on the incident handling tune camera relay and tune camera. interlock test. blocking test. performance test; installation standards; adjust the camera and exciter failure analysis. The country for electricity workers skills training materials and the substation operation (including adjusting camera): senior workers are mainly engaged in the electric power system substation on duty and adjust camera running senior workers to learn how to use. so that an independent analysis by learning to handle incidents. guidance intermediate and junior workers learn and work. The country for the electricity workers' skills training materials and the substation operation (including adjusting camera): senior workers substation professional (including adjusting camera) textbook available power institutions and study reference. Contents: About the National skills training materials for electricity workers the validation opinion Preface Editor then first substation operation and main electrical wiring (1) the typical wiring Section II wiring characteristics of its run review questions The Chapter of high voltage technology (1) high-voltage electrical equipment insulation. sect insulation preventive test section III overvoltage over voltage protection of the fourth quarter internal over-voltage substation and protection measures in section V. Section 6 of lightning protection earthing grid fault conditions of the third chapter of the review questions the analysis...
