By Joshua K. Roberts

Joshua K Roberts. Paperback. Book Condition: New. Paperback. 214 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. In its purest form, the book chronicles the evolution of Holton, a non believer, into a believer within the context of a plot driven, action adventure book. When not running for their lives, the novel deals with major Christian issues including: why believe in a God, why Jesus is significant and creationism. The novel also deals with several issues relevant in the Christian church today, including discussions on disputable matters such as drinking alcohol, tithing, how the church should deal with homosexuality and whether Jesus would be a Democrat or a Republican. The novel opens with a homosexual character hanging himself after being asked to leave the church due to his sexual preference. It follows with a brief chapter on each of the four main characters, including the pastor of the sponsoring mission church. The missionaries meet at the church and discuss the country they are visiting, the plans for the trip, the gear they are taking and the travel itinerary. The Americans then journey to Africa where they miss their transfer and are left to walk the last few miles to their intended destination....
