BRAND NEW, The Resurgent Church: 8 Critical Ways to Thrive in the New Post-Christendom World, Mike McDaniel, For the first time in centuries, the Church no longer has a primary place in the cultural dialogue. Christian leaders living off old assumptions are struggling, while missional churches are discovering new ways to reinvent themselves, arrest the general decline, and become catalysts for new strategies for reaching non-believers. These new voices are following the lead of the early church, shifting their focus to a missional model. The Resurgent Church will help church leaders who are struggling to find and incorporate this new paradigm into their local church body.
