

A Journey to the Rocky Mountains in the Year 1839 (Paperback)

By F A Wislizenus

COSIMO CLASSICS, United States, 2005. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.As there are persons whose expression fascinates and wins us through something that we keenly feel but cannot clearly understand, so is it also true of some natural scenes. Such an impression took possession of me at first view of the so-called Beer Spring. I have looked on finer and more majestic scenes, but never found a more home-like place than this valley. -F.A. Wislizenus in A Journey to the Rocky Mountains in the Year 1839 With a keen and ardent eye, Wislizenus, a German physician, recounts his ramblings in the American West. Seized by a wanderlust that compelled him to leave his rural practice as a country doctor behind, albeit temporarily, Wislizenus joined an expedition of fur traders and, funded by his own modest savings, journeyed through Wyoming and Idaho on the Oregon Trail and then into Colorado. Here he regales us with notes on the geography and history of the region, as well as observations on the wildlife, plants, and peoples of the mountains, capturing in captivating words a now greatly changed realm.
