DRUGS OF ABUSE (BLACK AND WHITE) (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The abuse of drugs is not a harmless personal decision: there are real, long-lasting, and devastating outcomes for those who abuse drugs and for their families, friends, and communities. And for some, the outcome may be lethal. With the knowledge contained in this edition, you can make smart choices for yourself, and help others avoid the tragedy that inevitably comes from drug abuse and addiction. Whether you purchase drugs from a pharmacy, or you get them from a friend, knowing the truth about them will help you understand the dangers they pose. Measured in American lives, health, safety, and resources, this cost is enormous: More young Americans die from drugs than suicides, firearms, or school violence; The use of illicit drugs, and the non-medical use of prescription drugs, directly led to the death of 38,000 Americans in 2006, nearly as many who died in automobile accidents; The only disease that affects more people than substance abuse in America today is heart disease; Substance abuse is the single largest contributor to crime in the United States; In the latest year measured, the direct cost of drug abuse was estimated at \$52 billion, with indirect costs of \$128 billion. I believe none of this is necessary, and that with accurate, honest information about drugs, more Americans will make the right choices. Drugs of Abuse is designed to be a reliable resource on the most popularly abused drugs. This publication delivers clear, scientific information about drugs in a factual, straightforward way, combined with scores of precise photographs shot to scale. We believe that Drugs of Abuse fulfills an important educational need in our society. Around the world and across the nation,...
