

NFL Confidential: True Confessions from the Gutter of Football (Hardback)

Filesize: 5.85 MB

Reviews

Completely essential read ebook. It is among the most awesome book i actually have read. I am very happy to explain how this is basically the greatest book i actually have read in my individual existence and might be he best pdf for possibly.

(Prof. Alexandro Runolfsson)

Dey Street Books, United States, 2016. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. Meet Johnny Anonymous. No, that s not his real name. But he is a real, honest-to-goodness pro football player. A member of the League. A slave, if you will, to the NFL. For the millions of you out there who wouldn t know what to do on Sundays if there wasn t football, who can t imagine life without the crunch of helmets ringing in your ears, or who look forward to the Super Bowl more than your birthday, Johnny Anonymous decided to tell his story. Written during the 2014 2015 season, this is a year in the life of the National Football League. This is a year in the life of a player not a marquee name, but a guy on the roster gutting it out through training camp up to the end of the season, wondering every minute if he s going to get playing time or get cut. Do you want to know how players destroy their bodies and their colons to make weight? Do you wonder what kind of class and racial divides really exist in NFL locker rooms? Do you want to know what NFL players and teams really think about gay athletes or how the League is really dealing with crime and violence against women by its own players? Do you wonder about the psychological warfare between players and coaches on and off the field? About how much time players spend on Tinder or sexting when not on the field? About how star players degrade or humiliate second- and third-string players? What players do about the headaches and memory loss that appear after every single game? This book will tell you all of this and so...
