Reviews

It is great and fantastic. Better than never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.

INDIA IN SLOW MOTION

Penguin, New Delhi, India, 2003. Paperback. Book Condition: New. Dust Jacket Condition: New. First Edition. Mark Tully is incomparable. No foreign commentator has a greater understanding of the passions, the contradictions, the charms and the resilience that constitute India. In *India in Slow Motion*, Tully and his colleague Gillian Wright delve further than ever before into this nation of over one billion people, attempting to unravel a culture that, famously, has always resisted unravelling. *India in Slow Motion* is the account of a journey that for Tully and Wright has no true beginning or end. Covering a diverse range of subjects from Hindu extremism to child labour, Sufi mysticism to the crisis in agriculture, the persistence of political corruption to the problem of Kashmir this book challenges the preconceptions others have about India, as well as those India has about itself. India is often depicted as a victim of forces too wild to be controlled of post-colonial malaise, of religious strife, of the caste system, of a corrupt bureaucratic machine. *India in Slow Motion* refutes this, probing into the heart of the Indian experience and arguing that change is possible and that solutions do exist. In the process it brings the country and its people brilliantly alive. Printed Pages: 320. Size: 16.5 Cms x 25 Cms.
