*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Niceville, Carsten Stroud, When ten-year-old Rainey Teague disappears on his way home from school in idyllic Niceville, Detective Nick Kavanaugh traces the boy to his last sighting - staring into the window of old pawn shop in town. CCTV shows Rainey there one minute and then gone the next. In the days that follow, any hope Rainey's family has of finding him alive starts to fade but then Rainey is found - alive but in a coma, and there's no telling when, or if, he'll ever wake up. One year on, Kavanaugh is still haunted by the case. And now another member of the town - this time an elderly woman - has been reported missing. It's as though she vanished into thin air. Once again, Kavanaugh's on the case and, as he starts to dig back through the town's history, he can't help but notice that Niceville has a much higher than average number of stranger abductions.
