Brand New Book ***** Print on Demand *****.If you want to gain a greater understanding about a person, the best way to do so is to understand the error in which they were raised in. Its common sense, it s impossible to understand the contents of a book if you refuse to start from the beginning. I often refer to the era in which I was raised in as the coke era. A period in time in which America united to get high. As a youth growing up in Richard Allen projects, located in the slums of North Philadelphia. I often over heard people refer to a crack addiction as a sickness. As an adult, it s not hard to look into the eyes of some of my peers and see that this so called sickness continues to be highly contagious. Inhabiting this sickness has paralyzed thousands if not millions of America s children s chances of success. Just to give you some perspective on the situation. I am the oldest out of six brothers and sisters and I am one of two who has a high school diploma. Sadly enough I m the only one who has attempted to receive a college diploma, key word attempt. I have seen my mom have her beauty stripped by the hands of an abusive man. Instead of breaking the cycle my sisters would rather accept it. My brother u2019s mental capacity has been compromised because his young eyes have witnessed ancient wars. I call today the era of broken dreams. The children of America was once looked upon as not only the future of the world, but the future of the cosmos. Now I can t...
