Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Tara Jerde)

EARTHGIRL

Groundwood Books. Hardcover. Book Condition: New. Hardcover. 192 pages. Dimensions: 7.1in. x 5.0in. x 0.8in. This unusual novel written partly in blog format (complete with comments posted by the earthgirls followers and detractors) takes the cutting-edge form of an online confessional. The story follows the eco-evolution of 16-year-old Sabine Solomon. When she's blindsided by a driver whose thrown-out McDonalds leftovers leave her covered in plum sauce, Sabine throws the garbage back, causing a clash that's captured on her friends' videophones. Quickly the footage is shown on YouTube, and Sabine finds herself at the center of a heated eco-debate. Inspired to greater global consciousness, she goes to work for an organic food co-op and meets charismatic, idealistic eco-warrior Vray Forest. Mesmerized, she vows to change her life and influence others, much to the dismay of her meat-eating family and shopaholic friends. But when Vray's activism takes a dark turn, Sabine must face some difficult decisions. Jennifer Cowan's first book presents an endearing, funny, modern heroine at once smart, curious, self-mocking, and self-righteous whose story riffs on universal teen dilemmas of peer pressure, first love, and trying to do the right thing. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
