Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Genoveva Langworth)

ROMA HOLOCAUST

Grin Verlag Mai 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. - Essay from the year 2007 in the subject History Europe - Germany - National Socialism, World War II, grade: 1, University of Nottingham, 30 entries in the bibliography, language: English, abstract: The 20th century is sometimes called the century of genocide. Never before have people been killing each other on such a scale, with so sophisticated methods and techniques, for so many reasons and seemingly without any scruples or mercy. Untold masses of humans fell victims to these massacres. From South West Africa and Armenia to Cambodia and Rwanda, there were a number of genocides. A number of genocides, but just one Holocaust. Or, was there just one? Most of the scholarly attention devoted to the subject of Holocaust has, not surprisingly, been focused on the Jewish experience during the Nazi period. The study of the Gypsy experience during the same period has been largely underrepresented in the historiography discussions. Therefore, in this paper I will concentrate on the Porrajmos. The main aim of this work is to find out if and eventually to what extent the Shoah and the Porrajmos are comparable. In the first half I deal with the persecution of the Gypsies solely. I describe the main characteristics of the treatment of the Gypsies by the Nazis as well as mention the main laws and decrees that dealt with the issue. In the second part of this paper my own beliefs become much more pronounced. I discuss and compare the Nazi treatment of Jews and Gypsies; touch upon the most debated and controversial issues and above all analyze the main differences in the treatment of these two groups. Based on the facts from the first chapter and...
