Greenleaf Book Group Llc, United States, 2013. Hardback. Book Condition: New. 206 x 130 mm. Language: English . Brand New Book. Tired of trying to attain the mythical work-life balance and constantly feeling frustrated? Are you giving yourself a C- for your performances at work and at home? Teresa A. Taylor knows that trying to be a career woman and a mom can leave you feeling tired and defeated, and she wants you to take a new approach. She herself rapidly ascended through the ranks to become COO of a Fortune 200 company while raising two boys with her working husband, and in *The Balance Myth*, she shows you how you can do it too. Taylor takes you along to a meeting in the White House, to union negotiations, and to her sons soccer practices as she shares her candid, humorous, and heartfelt stories. In addition, she offers insights about leading with integrity; surrounding yourself with positive resources; pushing through adversity; and celebrating accomplishments--especially your own. Taylor couldn't take the mother out of the career woman or vice versa, and she believes that you shouldn't have to either. Taylor illustrates that executives (as well as professionals with executive ambitions) don...
