Whether it s at a local YMCA or a lush spiritual retreat in the Everglades, Yoga has established itself as a mainstay in western culture; indeed, in global culture. While many people might truly enjoy yoga and find it to be the side-effect free answer to a lot of their emotional and physical ailments, they just don t know enough about the subject to take that first step. In that light, this book is created with one goal in mind: to demystify yoga for you, and provide you with a clear, simple, and fun introduction to the topic. If you ve never been exposed to any kind of yoga (except for what you might have seen on television), then this book is for you!.
