Abingdon Press. Book. Book Condition: new. BRAND NEW, Capital Punishment - Student, Mabry, This short-term study comes at a time when there is considerable national debate and commentary on the administration of the death penalty. It looks at various denominational views and nations' policies related to the issue, as well as providing several suggested plans for actions. Chapters include: -- What is the death penalty?-- What does the Bible say?What do we learn from the history of Christianity?What guidance do our theological and ethical traditions provide?.
