## LUCKY LUKE ADVENTURE 42: LONE RIDERS

CINEBOOK: The 9th Art Publisher, Canterbury, 2013. Paperback. Book Condition: New. 1st English Edition. 48pp Suitable for: 8+ years. In stock in Australia NOW, for immediate delivery- The Daltons split up? Good news for everyone! Or is it? In this adventure . After their umpteenth defeat at Lucky Luke's hands, the Dalton brothers get into a big argument that ends with the four of them splitting up. They make a deal: Whoever is first to get a million dollars will be the leader of the gang. Going their separate ways, trying various schemes, each spreads his own kind of mayhem, forcing poor Lucky Luke to do four times the work to keep up with their antics! Key Points: \*Lucky Luke is one of the most famous cartoon characters, alongside Asterix and Tintin \*Bestselling European comic series ever, with more than 300 million copies sold worldwide in over 30 languages \*Lucky Luke comics were made into several animated cartoons. In 1991 Terence Hill directed a cinema adaptation in which he played the lead role, and in 2009 James Huth directed a new version with French comic Jean Dujardin in the lead role \*Suitable for adults and children \*Published in English for the first time. 'Visually it's a delight, with more rip-roaring on-panel action than you'll see in a box full of the latest American superhero comic and better comic timing (of the comedy persuasion) than a month's worth of modern TV sitcoms on any ocean' [Paul Birch on Lucky Luke #24, Birmingham Mail Speech Balloons].
