

German Philosophy: A Very Short Introduction

Filesize: 2.3 MB

Reviews

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

GERMAN PHILOSOPHY: A VERY SHORT INTRODUCTION

To download **German Philosophy: A Very Short Introduction** eBook, please follow the link listed below and download the document or have accessibility to other information which are highly relevant to GERMAN PHILOSOPHY: A VERY SHORT INTRODUCTION ebook.

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, German Philosophy: A Very Short Introduction, Andrew Bowie, German philosophy remains the core of modern philosophy. Without Kant, Frege, Wittgenstein, and Husserl there would be no Anglo-American 'analytical' style of philosophy. Moreover, without Kant, Hegel, Marx, Nietzsche, and Heidegger, the 'Continental Philosophy' of Derrida, Foucault, Deleuze, Badiou, and Zizek, which has had major effects on humanities subjects in recent years, is incomprehensible. Knowledge of German philosophy is, then, an indispensable prerequisite of theoretically informed study in the humanities as a whole. German Philosophy: A Very Short Introduction discusses the idea that German philosophy forms one of the most revealing responses to the problems of 'modernity'. The rise of the modern natural sciences and the related decline of religion raises a series of questions, which recur throughout German philosophy, concerning the relationships between knowledge and faith, reason and emotion, and scientific, ethical, and artistic ways of seeing the world. There are also many significant philosophers who are generally neglected in most existing English-language treatments of German philosophy, which tend to concentrate on the canonical figures. This Very Short Introduction will include reference to these thinkers and suggests how they can be used to question more familiar German philosophical thought. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
