Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Shimmering fragments of poetry, fiction, fable, and essay reflect a kaleidoscopic vision of burgeoning adulthood as seen through the eyes of the young protagonists in El ano de nuestra revolucion, the Spanish-language edition of Judith Ortiz Cofer s award-winning collection. The Year of Our Revolution. Among the memorable heroines to emerge from this landmark collection is Maria Elenita, aka Mary Ellen. As she embarks upon the journey from innocent adolescence to young womanhood, her imagination moves from thoughts of school and Supergirl to dreams of rock music, rebellion and first love. Donning the uniform of the opposition--tie-dyed T-shirts, Indian headbands and noisy jewelry with the aroma of patchouli incense wafting about her, Mary Ellen mounts her season of insurgency during which she awakens to sensuality with her boy-poet Gerald and the soldier-boy Pito. Ultimately she learns the high price to be paid for matters of the heart. In a work suitable for mature older teens and young adults, Ortiz Cofer crystallizes what Maria Elenita s saddened Mama calls the worst year in the history of parents and children. . . the year of our revolution.
