Due to the raising rate of insolvencies, increasing number of company crises and because of the corporate governance discussion, the legislator recognized the need to develop a new law. The KontraG was introduced at the 5th of March 1998, which mainly influenced the Aktien- and Handelsgesetzbuch . The consequences of this law are discussed highly controversial by experts. There is no general opinion, particularly in terms of the commitment of the introduction of a risk management according to the...
