

First Lessons in Dairying: A Handbook Setting Forth the Underlying Principles Dairying for the Student Beginner in the Laboratory and on the Farm (Classic Reprint) (Paperback)

Filesize: 9.25 MB

Reviews

*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Marlin Swift)*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **First Lessons in Dairying: A Handbook Setting Forth the Underlying Principles Dairying for the Student Beginner in the Laboratory and on the Farm** The writer was requested to prepare a book that should set forth briefly the underlying principles of dairying for the student beginner, unfamiliar with the terms and laws of bacteriology and chemistry, which are the foundation sciences of dairying, and to suggest practice adapted to the conditions of the farm as distinct from those of the creamery and cheese factory. The underlying principles are the same, but the practice is different in farm and factory butter making. The accumulating store of dairy knowledge has become too great to satisfactorily present it all in one volume. The problems of the producer have been treated in a recent book, and it is only a year ago that the creamery butter maker was provided with a text book covering his work. Therefore, it is the needs of the farm butter maker and handler of milk for the factory or shipping station that the writer has attempted to meet. No effort has been made to make detailed acknowledgment of the source of many facts presented, but the works of Profs. H.H. Wing, J.W. Decker, W.H. Dean, McKay and Larsen, John Michels and the Experiment Station bulletins have been freely consulted and literal quotations made without other acknowledgment than this. In other s words, I have gathered me a posy of other men s flowers, and nothing but the thread which binds them is mine own. H.E. Van Norman. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This...
