BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO discussed the U. S. military drawdown in Europe, focusing on: (1) the status of the drawdown and changing requirements; (2) U. S. and host nation financial obligations related to base closures in Europe; and (3) efforts to dispose of excess equipment. GAO noted that: (1) negotiations with Germany concerning the residual value of U. S. real property investments are deadlocked and need high-level intervention; (2) the United States has made progress in terminating thousands of local national employees at bases scheduled for closing; (3) in December 1991, a new tariff agreement increased U. S. liabilities for severance payments but reduced litigation and expedited the termination process; (4) Congress has withheld 175 million in operating and maintenance obligation authority until the Department of Defense notifies Congress that European allies contributions have offset the cost of U. S. forces in Europe; (5) congressional action has not resulted in any significant increase in allied contributions; and (6) a two-thirds reduction of forces in Europe will result in excess equipment being turned over to the disposal offices without appropriate screening for current requirements. This item ships from La Vergne, TN. Paperback.
